Your Advertising Dollars can go to help Francis Howell Viking Band Students!

Greetings from the Francis Howell Viking Band Program!

Francis Howell Viking Bands have continued to succeed and grow locally and regionally for the past few years. As part of our community, the band program at Francis Howell represents everyone around the region. As the Viking Band program continues to grow, so do the program's needs. This is where you and your company play an integral part in the band's success.

The Viking Band program is looking for fellow community members, supporters of the program, and financial sponsors who will come alongside as partners with these incredible students.

What can this yearly partnership do for you? Year-round advertising is available at various levels through:

- Approximately five local competitions throughout the school year, averaging 2000 people in attendance.
- Every home football game, 4 to 5 games a season, with an average attendance of 2000 people per game.
- Every FH Band concert throughout the school year
- On the band's website and email communications.
- Our 501(c)(3) status will make your donations tax deductible.
- There are over 100 families in the Viking Band program, and active community members will feel a sense of loyalty to your company for your support.

We hope you'll review the attached information for a few moments. Your contribution to the FH Viking Bands will go far in continuing these fine students' musical growth and success! If you have any questions, please do not hesitate to contact the band directors of the Viking Band program.

Sincerely,

FH Viking Bands

Please consider becoming a sponsor of the FH Viking Bands. Your sponsorship funds go towards instruments, music, equipment, national clinicians, performance opportunities, scholarships for students that need assistance, band, drumline, and color guard camps, and creating lifelong memories for student musicians.
